MISSOURI COURT OF APPEALS EASTERN DISTRICT

STATE OF MISSOURI, Respondent,	)	No. ED98973
	)	Appeal from the Circuit Court of
vs.	)	Franklin County
	)	Honorable Gael D. Wood
VERNELL LOGGINS, JR., Appellant.	)	Filed: July 15, 2014

Vernell Loggins, Jr. (Defendant) appeals the judgment of conviction entered by the Circuit Court of Franklin County after a jury found him guilty of murder in the first degree. Defendant claims that the trial court erred in denying Defendant's: (1) motion for acquittal; and (2) motion to suppress and admitting at trial, the iPhone and images seized from the iPhone.

AFFIRMED.

Division Four Holds: The trial court did not err in denying Defendant's: (1) motion for judgment of acquittal because the State presented sufficient evidence of deliberation to support the jury's finding that Defendant committed murder in the first degree; (2) motion to suppress and admitting at trial, the iPhone because Defendant failed to object to its admission at trial; and (3) motion to suppress and admitting at trial, images seized from the iPhone because probable cause supported the warrant authorizing a search of the iPhone.
