Aimee, please point me to the depo testimony. I would note that testimony was not from Milliman and may not be accurate. What's accurate is what's in the declaration. Happy to try to answer questions about that documentation. I'm happy to try to clarify anything in the declaration with another declaration or documentation (to the extent it exists beyond what we've given you), but we have been over all this. \

Laura, is there a dispute about the content of the declaration that you are aware of?

Dear Mr. Harrison,

At the depositions for the above referenced matter, we were told that Michael Zwiener receives an approximate $60,000/year from the sale of 2 divisions. If you would please forward to us documentation of these transactions, including but not limited to the terms of each sale, along with the payments from these sales he has received and is expected to receive, the compensation perimeters outlining how he is paid and how payments are calculated and the timeline for distribution of the compensation.

As we are quickly approaching the trial for this matter, we will need this information ***no later than October 26, 2023,*** to meet all Trial Order deadlines. Please let me know if you have any questions. Thank you for your anticipated cooperation.

Very truly yours,
Aimee

No... but I was not copied on the underlying email to you, either. Thank you for including me.
