PROBABLE CAUSE STATEMENT

DATE: 02/04/2024

Report # 2024-00159

I, Noah Babiak, a law enforcement officer, upon my oath, and under penalties of perjury, state as follows:

1. I have probable cause to believe that Almos Naoro committed one or more criminal offenses.

2. The facts supporting this belief are as follows:

On February 04, 2024, Saline County 9-1-1 received a call regarding a subject who was bleeding from his face. The caller advised the subject, V1, was assaulted by his roommate, Almos Naoro. I was dispatched to an address on S. Miami Ave. in Marshall, Missouri to investigate.

Upon my arrival, I observed V1 sitting on a neighbor's front porch with blood streaked across his face. I observed a deep laceration to V1's left side face, near his left eye. V1 requested medical services. V1 stated he was assaulted by Mr. Naoro, who was located inside their residence.

While awaiting medical services, I made contact with Mr. Naoro at his residence, and informed him he was detained. I placed Mr. Naoro in handcuffs, behind his person, and placed him in a Marshall Police Department (MPD) patrol vehicle.

V1 stated he entered their residence after returning from a gas station to buy alcohol. V1 stated upon entry into the residence, Mr. Naoro struck V1 with an unknown object, causing a deep laceration near V1's left eye. V1 stated he exited the residence and knocked on a neighbor's door. V1 stated the neighbor immediately called 9-1-1.

V1 stated he and Mr. Naoro had been roommates for approximately two years at their residence.

V1 refused to assist with the prosecution of Mr. Naoro.

Mr. Naoro was placed under arrest and transported to MPD by Corporal McTigue.

A Saline County Ambulance arrived on-scene, treating V1's injury.

During the booking process, Cpl. McTigue advised Mr. Naoro of his Miranda Rights, which he stated he understood. Mr. Naoro advised he would speak with Cpl. McTigue.

Mr. Naoro advised on February 04, 2024, he provided V1, who was intoxicated, with money to go buy beer. Mr. Naoro stated V1 returned to the residence with alcohol. Mr. Naoro stated V1 was drunk and began asking too many questions. Mr. Naoro stated he pushed and slapped V1. Mr. Naoro stated he picked up a green-handled broom and struck V1 with the handle of the broom.

3. (a) I believe that the defendant will not appear in court in response to a criminal summons because

Mr. Naoro has a history of FTA warrant arrests.

(b) I believe that the defendant poses a danger to a crime victim because

Mr. Naoro assaulted V1 with a weapon because V1 was "asking too many questions."

(c) I believe that the defendant poses a danger to the community or to any other person(s) because

Mr. Naoro is a habitual narcotics user and assaulter. He is currently on Probation and Parole for drug crimes.
