because you don't even realize it yet but you have already been caught. May God have mercy on you. I refuse to show mercy to demons. You are not my mother. You are a vessel for guilt and fear that no amount of drugs will ease.

I will be submitting the rest of the evidence to the courts and you can view it through your greasy cash for kids lawyer. It's sad you're forcing me to do this. I never wanted to see like this. You are a shame. A complete shame. I feel sorry for you. They wrapped you up In some serious crimes . You are not untouchable nor is your husband.
