In re: Guardianship of Veronica Gadley

Dear Ms. Thornton:

I am enclosing a copy of the Letters of Guardianship for Veronica along with a copy of the Judgment. These documents should permit you to act on Veronica's behalf with regard to matters concerning her care and custody. I will send you the certified and sealed copy of the Letters within a week. You may be required to produce the certified copy in certain circumstances, but do not relinquish it. Give other parties copies of the Letters. If you lose the document, you may obtain a certified copy from the court for a nominal fee.

Please keep the Court advised at all times as to your present address. If you move and do not advise the court of your address, you may miss important notices from the Court.

Since our work on your behalf as it relates to this guardianship has been completed, I will be withdrawing as counsel in the near future. I will be meeting with the staff to see what assistance I can provide you regarding [redacted]

Yours truly,

Stephen Novack
Volunteer Attorney
