To whom it may concern,

23PV-CVD1450

I am requesting an additional extension for my court date due to the fact that I am picking up my daughter from EL PASO TX due to medical conditions and not able to finish College. The school is dropping her and she is coming home for good. I am leaving the 7th of Dec and should be back the 14th of Dec. She is unable to move back on her own because of her medical conditions. I apologize for the inconvenience and hope the court understands the severity of the situation.
