WAIVER OF LIABILITY AND INDEMNIFICATION AGREEMENT

As the owner or provider of audio/visual and/or computer equipment described below and in consideration for the opportunity to bring the same into the St. Louis County Courts Building; or as a user of Court provided audio/visual and/or computer equipment described below, I hereby release St. Louis County and the State of Missouri, including all elected and appointed officials, employees and volunteers of the County or State, and particularly those associated or employed with the St. Louis County Department of Judicial Administration (collectively referred to herein as "Releasees"), from any and all liability for any damage to such property or loss of such property of any kind and nature, as may be caused by the negligent act or failure to act of Releasees in connection with my bringing such equipment into the Courts Building or from the use of Court provided equipment, and further waive my right to sue or make a claim against Releasees for property damage or loss resulting from any act of negligence in connection with my doing so. I further agree to hold such persons and entities harmless and agree to indemnify them against any claims made against them by persons other than myself for damage or loss to such equipment. I further agree to assume any and all liability and responsibility for any damage or injury caused by such equipment to any person or property.

Indemnification costs shall include, but not be limited to, attorney's fees, costs for defense and enforcement expenses. I understand that Releasees have no obligation to ensure the safety of such equipment if I choose to leave it in the Courts Building away from my presence.

Video Conferencing

Each party will need to receive permission from the Judge to have anyone join the court proceeding via Webex video conferencing. Each Division has their own unique meeting ID and is listed below. The Court IT department does not provide IT support for individuals outside the Courthouse. It is the responsibility of the parties to troubleshoot problems on their user's end. The Court highly recommends that counsel perform a test call with the remote participants prior to any proceedings to ensure their video, microphone and speakers work properly.

From Computer:

Step 1: Have the participant go to https://www.webex.com/ from any internet connected computer with a webcam.

Step 2: Click on "Join a Meeting" and follow the website directions. (Meeting ID provided below.) Use your Lawful name when asked.

From Smartphone or Tablet:

Step 1: Download the app from the respective devices platform (Android – Google Play Store, iOS – App Store) and open it.

Step 2: The app will ask for permission to use your phone's camera and microphone. You must allow all to be seen and heard.

Step 3: Click on Join meeting. (Meeting ID provided below.) Use your Lawful name when asked.
