My motion to delayMicky Godschild to moapped 01/25/2024 12:54 PM

Dear Sir or Madam of the court

I am filing a motion to delay my appellate deadline of January 16 2024
I take full responsibility for my oversight due to my confusion of the various dates in process.
Should the court forgive this oversight and grant a new date. I will be prepared on time with all of my legal documents
Please advise If I need to redirect this email

Thank you in advance for your assistance
