2. The facts supporting this belief are as follows:

On 10/10/23, officers responded to the area of 1515 North Kingshighway in response to a report of a shooting. Upon arrival, they observed the suspect who had been shot multiple times. The victim, who sustained serious physical injury, was then transported to a hospital for treatment.
Officers spoke with the VICTIM about what happened. The victim explained that he coaches a youth football team and the defendant, whose son plays on the team, was upset with him for not starting his son. The victim went on to explain that on the day of the incident, he approached the victim and asked him what was up and pulled his gun out and gave it to someone to hold and that the defendant subsequently shot him multiple times while he was unarmed. A witness who was on the scene at the time of the incident corroborated the victim's account.
