ISSUE SUMMONS FOR SERVICE BY SPECIAL PROCESS SERVER

PETITION FOR DISSOLUTION OF MARRIAGE

Comes Now Petitioner, Courtney K. Schien Kincade, and for her cause of action states and alleges that:

1. Petitioner is a resident of Sangamon County, State of Illinois. Petitioner's Social Security Number is xxx-xx-[redacted], and she is currently living at 14 North Cotton Hill Lane, Springfield, Illinois, 62712. Petitioner is presently employed.

2. Respondent is and has been a resident of St. Louis County, State of Missouri for more than ninety (90) days immediately preceding the filing of this Petition. Respondent's Social Security Number is xxx-xx-[redacted], and he is currently residing at 5409 Devonshire Avenue, St. Louis, Missouri 63109. Respondent is presently employed.

3. Petitioner and Respondent were married on November 13, 2021, and the marriage is registered in St. Louis County, State of Missouri.

4. Petitioner and Respondent separated in May of 2023.

5. There are no unemancipated children born or adopted during the marriage.

6. Petitioner is not now pregnant.

7. Neither party is a member of the Armed Forces of the United States on active duty.

8. There is no reasonable likelihood that the marriage of the parties can be preserved, and therefore, the marriage is irretrievably broken.

9. Prior to their marriage, the parties entered into a Premarital Agreement, a copy of which it is attached hereto as **Exhibit A**, and is incorporated herein by reference. Said Premarital Agreement, which is valid and enforceable, characterizes and divides the parties' property interests and debts, and governs the parties' obligations to one another with respect to support and attorney's fees in the event of dissolution of marriage.

WHEREFORE, Respondent prays the Court to enter its judgment dissolving the parties' marriage; enforcing the parties' Premarital Agreement and entering its judgment carrying out the operative terms of said Agreement; and for such other and further relief as the Court deems just and proper in the circumstances.
