CIRCUIT COURT CLERK

On 09/14/2023 at approximately 0111 hours Saline County Dispatched advised they were in pursuit of a 2015 black Chevrolet Silverado traveling at a high rate of speed south on US 65 HWY coming into Pettis County.

Deputies responded to the location however the Saline County Deputy terminated the pursuit. The vehicle was located at HWY J and HWY EE traveling west bound. I turned around to catch up to the vehicle which then began to flee from me at a high rate of speed. I activated my emergency lights and sirens and advised I was in pursuit of the vehicle. The vehicle, traveling in excess of 100 miles per hour, ran the stop sign at the intersection of HWY J and US HWY 65, putting motorists in extreme danger due to running the intersection. The vehicle then continued to flee down HWY D at high rates of speed before turning south on Durley Road to Hughesville Road before wrecking into a ditch. The driver, identified as Jadin Shroyer, fled from the truck into a cornfield before being taken into custody. During a check of the vehicle for other occupants I immediately noticed a Methamphetamine pipe in the vehicle. A search revealed Methamphetamine, digital scale with residue, a straw with residue, a Methamphetamine pipe and a loaded AR style rifle with a round chambered and a loaded magazine. All narcotic items tested positive for Methamphetamine via field test kits. All items were seized for evidence and the narcotic items placed in evidence to be sent to the lab for further testing.

Due to Shroyer fleeing from two agencies at high rates of speeds, disregarding stop signs at major intersections, causing a severe danger to the public, I am requesting the charge of Resisting Arrest by Fleeing creating a substantial risk. Due to Shroyer having Methamphetamine in the vehicle I am requesting the charge of Possession of a Controlled Substance. Due to Shroyer having a loaded and chambered AR style rifle in the vehicle I am requesting the charge of Unlawful Use of a Weapon – Subsection 11 Posses Weapon/Felony Controlled Substance. Due to Shroyer being in possession of multiple items with Methamphetamine residue, I am requesting the charge of Unlawful Use of a Drug Paraphernalia.

To the best of my knowledge and belief, the facts stated above are true.
