SUSAN SADLER
CIRCUIT COURT CLERK

Report #: 2024-00115

PROBABLE CAUSE STATEMENT

On 01/23/2024 at approximately 1751 hours Deputy K. Wassam and I were dispatched to [redacted], [redacted] in reference to a possible disturbance.

Upon arrival we made contact inside the residence with a female subject identified as [redacted] [redacted] stated she was staying at a neighboring residence, [redacted] with a male subject identified as Seth Meads. [redacted] stated she and Meads were trying to start a romantic relationship together however another male subject she's in a relationship with called her and Meads got angry. [redacted] stated Meads began yelling at her. [redacted] stated she told Meads she was going to call 911 and Meads took her phone and blocked her from leaving the residence. [redacted] stated that while trying to leave Meads pushed her down several times. [redacted] was eventually able to exit and fled to a neighbor's house who called 911.

Deputy Wassam and I made contact with Meads at [redacted] inside of a pick-up truck in the drive-way of the residence. Meads denied anything physical and stated he wanted [redacted] to leave and she wouldn't. Meads stated his mother witnessed the entirety of the event. I made contact with his mother at the residence who stated she had not heard nor seen anything in reference to the disturbance. I returned to Meads and placed him under arrest. Meads stated that his mother could back his story up. I explained to him that she said she had not heard nor seen anything and he stated "She probably didn't want to get me into trouble" indicated that the information she would have would likely incriminate him. Meads transported to the Pettis County Jail.

While collecting a statement from [redacted] she also stated Meads asked her several times if he could "play with himself" in front of her to which she stated no. She stated Meads then undressed and covered with a blanket and began "playing with himself" in front of her, making her feel uncomfortable and as if she may possibly get raped.

Once at the Pettis County Jail Meads property was searched by jail staff and a glass Methamphetamine pipe was located that was caked with burnt residue. The pipe field tested positive for the presence of Methamphetamine. Due to Meads being possession of the pipe caked with burnt Methamphetamine residue I am requesting a charge of Unlawful Possession of Drug Paraphernalia – Amphetamine or Methamphetamine. Due to Meads shoving [redacted] multiple times while the two were staying together and trying to start a romantic relationship I am requesting the charge of Domestic Assault – 4th Degree. Due to Meads playing with his private parts in front of [redacted] for sexual gratification I am requesting the charge of Sexual Misconduct – 2nd degree. Due to Meads taking [redacted] phone after she threatened to call 911 and not letting her leave the residence, I am requesting the charge of Kidnapping – 3rd degree.

To the best of my knowledge and belief, the facts stated above are true.

615

Deputy Cameron Anderson
