**RE: *Hunter v. Moore*, Case No. SC 95083  
Notice of Erratum**

Dear Mr. Thompson:

Pursuant to Rule 84.20, counsel wishes to inform the Court of an erratum in Respondent's Substitute Brief in the above-referenced case.

The first sentence on page 12 of Respondent's Substitute Brief reads: "In his response, Sanner stated that Hunter intended to have him represent him in the Franklin County litigation." The brief incorrectly identifies Hunter as the person that Sanner referred to in his response when that person was in fact Moore. The sentence on page 12 should read as follows: "In his response, Sanner stated that Moore intended to have him represent him in the Franklin County litigation."

Respectfully submitted,

Joseph F. Yeckel
