January, 2015

Dear Clerks and Court Personnel,

The Missouri Professional Association of Court Clerks Annual Meeting will be held Wednesday, Thursday and Friday, March 25, 26, and 27, 2015 at the Tan-Tar-A Resort in Osage Beach, Missouri. This conference is held each year in conjunction with The Missouri Association of Probate and Associate Circuit Judges.

A block of rooms has been reserved and you may call 1-800-826-8272 to make reservations. Please let the reservation agent know that you are with the MOPACC conference. The group rate is \$98.58 with your county tax exempt letter. Please be sure to bring a copy of this letter with you. Room rates without the tax exempt letter are \$103.84. Reservations must be received by February 24, 2015, in order to have a choice of location of the sleeping room; and must be guaranteed with a major credit card or a deposit. Check in is at 4:00 p.m. and check out is at 11:00 a.m. An early check in may be allowed if there are rooms available at the time, but there is no guarantee.

A proposed schedule of events is attached and includes opportunities to hear speakers such as Chief Justice Mary Russell, State Court Administrator Kathy Lloyd, as well as other specialists that relate to the courts. Round table discussions are again returning. Thursday and Friday will have hot breakfasts available; Thursday afternoon a luncheon with the judges. Wednesday night there will be entertainment courtesy of Eddie Smith, also known as PSEN fun! The events of the PSEN will be provided at a later time. For those not interested in attending the PSEN in the evening, we will have other entertainment opportunities planned if you are not a shopper.

The purpose of MOPACC is to promote the welfare and mutual interests of all members, to conduct meetings and programs for the continuing education of the members, to exchange helpful information and new theories, to instruct and work for legislation designed to aid the members of the Association in the pursuit of their duties in order to serve better the people of the State of Missouri in the administration of justice. To that end, the Board has endeavored to put together a program that appeals to a wide range of interests and duties of court clerks and court support staff.

I truly hope that you will be able to make the time to join the MOPACC conference this year to network with other court personnel and find out what is new and exciting in Missouri's Courts. As a reminder to those that have attended in the past, and a piece of information for new attendees, if you wish to receive a door prize, please bring a door prize; and be sure it is something that you personally would be happy to receive. We will also have three door prizes to be given out on Friday at the end of the conference, but you must be present to win.

I look forward to seeing you all in the very near future!

Scott L. Breite
