Child Support Calculations

Child Support

Child support is an amount of money paid by one parent to the other parent for the support of the children. In addition to a regular monthly child support payment, other expenses of the children may be divided between the parents as child support. Part B of the Parenting Plan contains the calculation of child support and the allocation of the children's expenses.

Form 14

Form 14 is a form used to calculate a presumed amount of child support. Form 14 is part of this parenting plan and is found on Part B, Page 8. The court will usually follow Form 14, however, if the court finds that the child support calculated pursuant to Form 14 is unjust or inappropriate, it will set child support at a different amount.

Parents must also determine the allocation and amount of other expenses of the children such as medical and dental insurance, uncovered medical and dental expenses, day care, and other extraordinary expenses. These expenses constitute part of the child support obligations of each parent. These other expenses may be included in the Form 14 calculation, or they may be paid independently of the child support payment.

Parents may agree on an amount of child support and the allocation of expenses. The court does not have to accept this agreement and can set different support amounts. Even if the parents have agreed on an amount of child support, **THEY MUST STILL CALCULATE A FORM 14 FOR THE COURT.** As they work through this parenting plan, they will also be entering the information that is required for Form 14.

Missouri law further provides that "An award of joint physical custody does not preclude an award of child support pursuant to Section 452.340 and applicable supreme court rules in determining an amount reasonable or necessary for the support of the child." RSMo. §452.375.12 Child support may be appropriate even if both parties have custody of the children an equal amount of time.

4. Party to Pay Child Support

One party must be called the "parent paying support" and one person must be called the "parent receiving support". This is true even if no child support is going to be paid.

*You **must** check one and only one of the following four boxes.*

☐ Mother will pay regular monthly child support to Father.

Mother is referred to as "person paying support" and Father is referred to as "person receiving support".

☐ Father will pay regular monthly child support to Mother.

Father is referred to as "person paying support" and Mother is referred to as "person receiving support".

☐ No regular monthly child support will be paid by either parent.

Mother will be referred to as "person paying support" and Father will be referred to as "person receiving support" for the purpose of the Form 14 child support calculation only.

☐ No regular monthly child support will be paid by either parent.

Father will be referred to as "person paying support" and Mother will be referred to as "person receiving support" for the purpose of the Form 14 child support calculation only.

Medical and Dental Insurance for the Children

Cost of Medical or Dental Insurance for the Children

The cost of medical or dental insurance for the children is the monthly amount of any premium paid. If the parent's employer deducts the amount of premium from his or her pay, then the cost of medical or dental insurance includes the amount of the premium paid. It does not include the cost of medical or dental insurance for the parent, the parent's spouse, or other children that are not covered by this parenting plan. The cost of medical or dental insurance for the children is included on Line 6c of Form 14.

Form 14 states: "If the amount of the actual health insurance costs for the children who are the subject of this proceeding is not available or cannot be verified, the amount of the health insurance costs attributable to the children who are the subject of this proceeding shall be calculated by dividing the total monthly costs for the policy of health insurance by the total number of persons for whom the costs are paid or to be paid and then multiplying the resulting figure by the number of children insured under the policy who are the subject of this proceeding."

5. Parent Responsible for Medical Insurance

You must check one and only one of the following three boxes.

- ☐ Father shall maintain and pay the cost of **medical** insurance for the benefit of the children.
- ☐ Mother shall maintain and pay the cost of **medical** insurance for the benefit of the children.

6. Parent Responsible for Dental Insurance

You must check one and only one of the following three boxes.

You must enter an amount on both lines, even if you enter "0". These amounts should also be entered on line 6c of Form 14.

In the event either parent is required to maintain medical or dental insurance, the parent providing the health benefit plan shall provide to the other parent an insurance identification card.

If support rights have been assigned to the state of Missouri or the Family Support Division is providing support enforcement services to either party, the person paying support shall notify the Family Support Division regarding the availability of medical insurance coverage through an employer or a group plan, provide the name of the insurance provider when coverage is available, and inform the division of any change in access to such insurance coverage.

Amount of Child Support

15. Presumed Monthly Amount of Child Support

Complete all applicable amounts. The court-ordered support amount is set forth in Part B, Paragraph 17.

The presumed child support amount calculated pursuant to Form 14 for six children is: _____.

The presumed child support amount calculated pursuant to Form 14 for five children is: _____.

The presumed child support amount calculated pursuant to Form 14 for four children is: _____.

The presumed child support amount calculated pursuant to Form 14 for three children is: _____.

The presumed child support amount calculated pursuant to Form 14 for two children is: _____.

The presumed child support amount calculated pursuant to Form 14 for one child is: _____.

16. Should the court order the child support pursuant to Missouri Child Support Guidelines?

*You **must** check one and only one of the following two boxes.*

☐ Yes. The court-ordered child support is the same as the presumed children support amount. The presumed child support amount as calculated herein is not rebutted as being unjust and inappropriate.

☐ No. The court-ordered child support is different than the presumed children support amount. After consideration of all relevant factors pursuant to RSMo. §452.340.8 and Form 14, the child support as calculated herein is rebutted as being unjust and inappropriate.

NOTE: Court-ordered child support will be set at the time of the court proceeding. The court is not bound by the suggestions of the parties and may set an amount greater or lesser than the suggested amounts of court-ordered child support set forth in this parenting plan. If the court approves and adopts this plan, then the support provisions herein will become the order of the court.

17. Court-Ordered Child Support

This is the amount of child support that actually will be paid by the parent paying support.

You must check all applicable boxes.

☐ Six or More Children - The person paying support is to pay to the person receiving support _____ per month when the person receiving support is entitled to support for six or more children covered by this parenting plan.

☐ Five Children - The person paying support is to pay to the person receiving support _____ per month when the person receiving support is entitled to support for five children covered by this parenting plan.

☐ Four Children - The person paying support is to pay to the person receiving support _____ per month when the person receiving support is entitled to support for four children covered by this parenting plan.

☐ Three Children - The person paying support is to pay to the person receiving support _____ per month when the person receiving support is entitled to support for three children covered by this parenting plan.

☐ Two Children - The person paying support is to pay to the person receiving support _____ per month when the person receiving support is entitled to support for two children covered by this parenting plan.

☐ One Child - The person paying support is to pay to the person receiving support _____ per month when the person receiving support is entitled to support for one child covered by this parenting plan.

NOTE: You should check each box that applies. For example, if this parenting plan pertains to three children, then you should check the boxes for three children, two children and one child. You should also enter an amount of support for three children, two children, and one child respectively. You must attach a Form 14 for each level. For example, if you have three children, then you must attach one Form 14 for three children, one Form 14 for two children, and one Form 14 for one child.

If you check one of the boxes above, you must check all the boxes below it. Once again, if you only check the box for two children and do not check the box for one child, then no support is owed when only one child remains.

18. Starting Date for Child Support

You must check one and only one of the following two boxes if either party is paying child support in Part B, Paragraph 17.

- ☐ The first child support payment is due on the date of the entry of the judgment.
☐ The first child support payment is due on _____.

Notification by the Person Receiving Support when Child Support Changes

Missouri law provides that “[u]nless otherwise agreed in writing or expressly provided in the judgment, provisions for the support of the child are terminated by emancipation of the child. The parent entitled to receive child support shall have the duty to notify the parent obligated to pay support of the child’s emancipation and failing to do so, the parent entitled to receive child support shall be liable to the parent obligated to pay support for child support paid following emancipation of a minor child, plus interest.” RSMo. §452.370.4.

Income Tax Considerations

19. Income Tax Dependents

The parties shall be entitled to claim the minor children as dependents for income tax purposes as follows: (Person paying support must be current with all support obligations as of December 31 of the tax year in which the child is to be claimed. Each parent will sign any appropriate documents to allow the other parent to make such claims.)

NOTE: The Form 14 calculation assumes that the person receiving support will claim the children as dependents. If the person paying support is entitled to claim one or more of the children, then the Form 14 guidelines are unjust and inappropriate and the second box in Paragraph 16 should be checked.

If the person claiming the children is not listed below, then the person receiving support shall be entitled to claim the omitted children as dependents in all years.

Name of Child	In odd numbered tax years, this parent will claim this child as a dependent	In even numbered tax years, this parent will claim this child as a dependent

Payment of Child Support and Wage Assignments

Wage Assignment

A wage assignment means that the child support is taken directly out of the paycheck of the person paying support. The amount withheld is sent to the Family Support Payment Center. The Family Support Payment Center will then forward the support to the person receiving support. Child support withheld pursuant to a wage assignment cannot be sent directly to the party receiving support. A record will be kept of all payments.

If a wage assignment is not ordered, then the child support may be paid directly to the person receiving support. The person paying support may also voluntarily send payments to the Family Support Payment Center. If the child support is not paid to the Family Support Payment Center, it is extremely important that each parent keep accurate records of the amount of child support paid. This means that the party paying support may not receive credit for his or her payments if he or she does not have receipts or cancelled checks. Because of this, it is proper to request a receipt from the parent receiving support.

If the person paying support is currently unemployed or self-employed, the wage assignment may still be ordered, but it will not take effect until the person paying support begins receiving regular wages.

20. Method of Payment of Child Support

You must check one and only one of the following five boxes if either party is paying child support in Part B, Paragraph 17.

- ☐ A wage assignment will not issue because a written agreement has been reached between the parties that provides for an alternative arrangement. Child support shall be paid directly to the person receiving support.
- ☐ A wage assignment will not issue because there is good cause not to require immediate income withholding for the reason that implementation of an immediate wage withholding would not be in the best interest of the child and the person paying support has made timely payments of all previously ordered support. Child support shall be paid directly to the person receiving support.
- ☐ A wage assignment will not issue because a written agreement has been reached between the parties that provides for an alternative arrangement. Child support shall be paid directly to the Family Support Payment Center, PO Box 109001, Jefferson City, Missouri, 65110-9001.
- ☐ A wage assignment will not issue because there is good cause not to require immediate income withholding for the reason that implementation of an immediate wage withholding would not be in the best interest of the child and the person paying support has made timely payments of all previously ordered support. Child support shall be paid directly to the Family Support Payment Center, PO Box 109001, Jefferson City, Missouri, 65110-9001.
