)	Honorable Michael T. Jamison
STATE OF MISSOURI,)	
)	
Respondent.)	FILED: April 15, 2014

Aaron Johnson ("Johnson") appeals from the motion court's order denying his Rule 24.035 motion for post-conviction relief without an evidentiary hearing.

DISMISSED IN PART; AFFIRMED IN PART;

Division One Holds: Johnson absconded from the State and therefore we apply the escape rule. The alleged errors that occurred prior to his escape are dismissed. Additionally, the motion court did not clearly err in finding that no actual conflict of interest existed between Johnson and his defense counsel. Nothing done or forgone by his defense counsel constitutes ineffective assistance of counsel or an actual conflict of interest. The motion court's ruling is affirmed.
