HONORABLE JAMES BECK,)	Circuit Court Lincoln County
ASSOCIATE CIRCUIT JUDGE, CIRCUIT)	Cause No. 11L6-CC00023
COURT OF LINCOLN COUNTY, MISSOURI,)	
Respondent.)	Filed: October 15, 2013

Relators have filed a Petition for Writ of Prohibition along with Suggestions in Support with Exhibits, requesting that this Court prohibit the Honorable James Beck, Associate Circuit Judge, Circuit Court of Lincoln County, Missouri, from compelling Relator to execute the authorizations for release of medical information pursuant to Judge Beck's September 13, 2013 order. The Court granted a preliminary order in prohibition.

PRELIMINARY ORDER IN PROHIBITION MADE PERMANENT.

WRIT DIVISION I HOLDS: The authorization for release of medical information is overly broad and allows for ex parte communication between Defendant's firm and Relator's doctors. As a matter of law, the trial court cannot compel Relators to execute such a release. Accordingly, the Court makes the preliminary order in prohibition permanent. The Court orders Judge Beck to refrain from compelling Relators to execute the authorizations for release of medical information pursuant to his September 13, 2013 order.
