In this action for attorney’s fees, brought pursuant to Section 536.087 following proceedings in the Family Support Division, the circuit court determined that attorney’s fees were due. The court did not, however, award an amount of attorney’s fees pursuant to its determination. The court concluded that it could not award the fees because the State was appealing its determination that fees were due.

**APPEAL DISMISSED; CAUSE REMANDED**

**DIVISION ONE HOLDS:** No final judgment exists in this case. We therefore dismiss the appeal and remand the case to the circuit court for entry of a final judgment.
