KEVIN T. SEGBERS, et al.,)	
)	
Respondent)	FILED: December 2, 2014

Lonnie Snelling appeals from the judgment of the trial court dismissing without prejudice his Second Amended Petition for failure to prosecute.

DISMISSED.

DIVISION ONE HOLDS: There was no final appealable judgment in this case, and the record does not clearly reflect that any action by the trial court effectively terminated the cause of action. The lack of a final judgment cannot be circumvented by indirect efforts to appeal matters that are not appealable. Accordingly this matter is not subject to review by this Court.

Opinion by: Clifford H. Ahrens, J. Lawrence E. Mooney, P.J., and Glenn A. Norton, J., concur.

Attorney for Appellant: Lonnie Snelling, *pro se*

Attorney for Respondent: Kevin T. Segbers
