Centrec Care, Inc. (Centrec) appeals from the judgment entered in favor of the State of Missouri Department of Social Services Family Support Division (State) on its Verified Petition to Enforce Child Support Withholding Order pursuant to Section 454.505, RSMo 2000.¹

AFFIRMED AS MODIFIED.

Division One Holds: First, Centrec’s failure to comply with the two orders warranted the trial court assessing a \$500.00 fine for each violation. Second, based on the State’s certified records admitted, without objection, into evidence, the trial court properly found Centrec liable for \$7,907.00, the sums due and owing under the income withholding orders.
