vs.	)	Cause No. 11SL-DR05300-01
	)	
CHRISTOPHER L. GOERS,	)	Honorable Thomas J. Frawley
	)	
Appellant.	)	Filed: October 4, 2016

Christopher Goers (Appellant) appeals the trial court's decision on his motion to modify child support. Appellant requested the court terminate both his obligation to pay child support and his obligation to pay half of any uninsured dental and medical expenses of his children. Appellant's motion requested that the trial court's order be retroactive to October 2013, when Respondent was first served with summons and motion to modify. The trial court granted Appellant's motion to modify in part and denied in part.

AFFIRMED.

Division Two Holds: The trial court did not misapply the law in modifying Appellant's child support judgment from \$480.00 per month to \$433.00 per month and terminating Appellant's obligation to pay any of his children's medical costs because the court properly examined the factors laid down by the Western District of the Court of Appeals in *Oberg v. Oberg*, 869 S.W.2d 235, 238 (Mo. App. W.D. 1993). The trial court acted in conformity with § 452.340 RSMo 2000 in determining Appellant's new child support obligation and thus did not abuse its discretion.
