Samuel Weil ("Driver") appeals the trial court's judgment sustaining the Order of the Director of Revenue ("the Director") that revoked Driver's driving privileges. Pursuant to Norris v. Dir. of Revenue, No. SC89994 (Mo. banc Feb. 9, 2010), the judgment is reversed.

REVERSED AND REMANDED

Division Five Holds:

Per the Missouri Supreme Court's decision in Norris v. Dir. of Revenue, No. SC89994 (Mo. banc Feb. 9, 2010), Driver's request to speak to his attorney before being read the implied consent law, section 577.041.1, was sufficient to invoke the 20-minute rule. The judgment of the trial court is reversed and remanded with directions that Driver's driving privileges be reinstated.
