)	of the City of St. Louis
vs.)	
)	
ALIF TERRANSON,)	Honorable Thomas Clark
)	
Appellant.)	FILED: February 2, 2010

Alif Terranson ("Terranson") appeals the trial court's order granting a Full Order of Protection against him. We dismiss Terranson's appeal as moot.

DISMISSED

Division Five Holds: Because the Order of Protection has expired, we find the issues presented to this Court to be moot. We have reviewed Terranson's contentions and conclude there is no issue of adequate public interest or precedential value in this appeal that would cause us to exercise our discretion to review a moot claim. We dismiss the appeal as moot.
