Evidence Based Program and Practice curriculum being utilized: Family Resource Center (FRC) provides one-on-one, community based mentoring, defined in the RFP as Missouri Recovery Support Specialist services, for adults receiving substance abuse treatment services through the 22nd Judicial Circuit. The National Registry of Evidence-based Programs and Practices does not include mentoring programs for adult clients. The nearest analog in the registry is Big Brothers, Big Sisters, which offers one-on-one, community based mentoring to youth ages 6 to 18. However, FRC's mentoring program was developed according to the so-called Reno Model, is accredited by the Council on Accreditation (COA), and was evaluated by Institute for Applied Research (IAR) and deemed effective. In addition, FRC's mentoring services adhere to the standards set forth by Mentoring.org.

Which Cognitive Behavioral intervention staff is qualified to deliver: FRC is limited to providing mentoring services for clients of the Drug Court of the 22nd Judicial Circuit. The Drug Court refers clients to specific providers of those services when appropriate.

Please indicate if Medication Assisted Treatment (MAT) is provided. If you do not provide MAT, how and with whom MAT services are arranged and how all services are coordinated. FRC does not provide Medication Assisted Treatment. The Drug Court refers all its clients to its identified vendors of that service.
