

**Wireless Telephone Number Transfer Addendum
Domestic Relations Cases – Protection Order Cases (Adult or Child)
Required at Case Initiation**

Filing Date: _____ County/City of St. Louis: _____

Style of Case: _____
(i.e. Petitioner v. Respondent)

Case Type Code: _____ Case Type Description: _____

Pursuant to sections 455.050 and 455.523, RSMo, a court may, in order to ensure that the petitioner or protected child(ren) can maintain an existing wireless telephone number(s), issue an order, after notice and opportunity to be heard, directing a wireless service provider to transfer the rights of a wireless telephone number(s) and the billing responsibility to the petitioner, if the petitioner is not the wireless service account holder.

Instructions:

- ✓ Complete this form showing the respondent/account holder information.
- ✓ Complete petitioner information with the name and contact telephone number along with all wireless numbers that should be transferred to petitioner if an order is granted.
