Re: *In re Schuessler*
Supreme Court No. SC97376

Dear Ms. AuBuchon:

It has come to my attention that there were two minor errors in Informant's Brief filed with the Court on November 8, 2018, in the above matter. Pursuant to Rule 84.20, kindly place before the Court the following corrections, which are underlined:

Page 26 (second paragraph) should read: "Informant charged that Schuessler violated Mo. S. Ct. Rule 4-8.4(d), by engaging in conduct which was prejudicial to the administration of justice."

Page 27 (last sentence) should read: "As mitigating factors, the panel cited Schuessler's lack of disciplinary history and her remorsefulness."

Thank you for your attention to this matter.

Very truly yours,

Marc A. Lapp
Special Representative
Office of Chief Disciplinary Counsel

Ms. Betsy AuBuchon
