Kamesh Kumar Ramalingam appeals from the judgment and dismissal of his petition for dissolution of marriage.

REVERSED AND REMANDED.

Division Four Holds: The trial court erred in dismissing his petition because (1) the foreign order upon which the trial court based its judgment was not properly registered in Missouri courts as a foreign judgment; and (2) regardless, the foreign order—which was not a final judgment—was not entitled to full faith and credit under Missouri law because there was no evidence in the record that Ramalingam was afforded in the foreign country the measures of due process required in this jurisdiction.
