MISSOURI APPELLATE COURT OPINION SUMMARY

MISSOURI COURT OF APPEALS
WESTERN DISTRICT

LARRY T. ACTON, APPELLANT,
v.
KAYE L. RAHN, RESPONDENT.

WD83514 Jackson County

Before Division One Judges: Thomas N. Chapman, Presiding Judge, Mark D. Pfeiffer, Judge, and W. Douglas Thomson, Judge

Larry Acton appeals *pro se* from the Jackson County Circuit Court's denial of his motion to modify child custody provisions contained in an amended judgment of dissolution. This Court entered an Order striking Acton's initial appellate brief. The Order specifically listed the deficiencies of Acton's brief and provided him an opportunity to amend it. Acton timely filed his amended brief, but did not cure the violations noted in the Court's Order. Rahn filed a motion to strike the amended brief and to dismiss the appeal. She did not file a Respondent's Brief and rests solely on her motion, which was taken with the case. Having reviewed the brief and heard oral argument, Respondent's motion to strike Acton's appellate brief is denied as moot. Respondent's motion to dismiss the appeal is granted.

APPEAL DISMISSED.

Division One holds:

Significant deficiencies in Acton's appellate brief preclude our review of the merits. We dismiss for non-compliance with Rule 84.04.
