vs.	)	1822-CC11685
	)	
STATE OF MISSOURI,	)	Honorable Steven R. Ohmer
	)	
Respondent.	)	Filed: December 22, 2020

Antonio Jones appeals the judgment denying without an evidentiary hearing his Rule 24.035 motion for post-conviction relief alleging (1) that his sentence exceeds the maximum sentence authorized by law because the court relied on insufficient evidence when finding Jones was a prior and persistent offender and (2) that plea counsel was ineffective by admitting to Jones's prior convictions without his consent and approval.

AFFIRMED.

DIVISION III HOLDS: The trial court did not err in denying Jones's 24.035 motion because:

(1) Jones waived any objections to the sufficiency of proof in connection with his prior offenses when he and his attorney admitted to his prior felony convictions.

(2) The record refutes Jones's claim that plea counsel's admissions were without his consent and approval.
