MISSOURI APPELLATE COURT OPINION SUMMARY

MISSOURI COURT OF APPEALS
WESTERN DISTRICT

STATE OF MISSOURI, RESPONDENT,
v.
T'ODDRE D. HUDSON, APPELLANT.

WD83370 Jackson County

Before Division Three Judges: Thomas H. Newton, Presiding Judge, Gary D. Witt, Judge, and W. Douglas Thomson, Judge

T'Oddre D. Hudson appeals from the judgment of the Circuit Court of Jackson County convicting him of one count of first-degree sodomy, one count of attempted first-degree robbery, and two associated counts of armed criminal action. In his sole point on appeal, Hudson claims that the motion court clearly erred in overruling his pre-sentence Rule 29.07(d) motion to withdraw his guilty plea on the ground that his plea was entered involuntary and without understanding.

AFFIRMED.

Division Three holds:

The motion court did not clearly err or abuse its discretion in overruling Hudson's Rule 29.07(d) motion to withdraw his plea because the record demonstrates that Hudson understood the evidence and charges against him. As a result, Hudson's plea was entered voluntarily and with understanding.

Opinion by: W. Douglas Thomson, Judge Date: April 27, 2021
