v.	)	1722-CR04593-01

VIRON GANAWAY,	)	Honorable Timothy J. Boyer
	)	
Appellant.	)	FILED: May 25, 2021

Viron Ganaway ("Ganaway") appeals from the judgment of convictions and sentences imposed by the trial court after a jury found him guilty of one count of first-degree robbery, one count of resisting a lawful stop, and two counts of armed criminal action.

AFFIRMED.

Division Two Holds: The trial court did not err in denying Ganaway's motion to suppress the identification and the evidence seized incident to his arrest because law enforcement had probable cause to stop his vehicle; and did not err in overruling Ganaway's objection to Instruction No. 12 and entering a conviction because, although there was a variance between the indictment and the jury instruction, Ganaway was not prejudiced by the variance.
