MISSOURI APPELLATE COURT OPINION SUMMARY

MISSOURI COURT OF APPEALS
WESTERN DISTRICT

TIMOTHY G. VOGEL, RESPONDENT,
v.
ROBERT S. STEFFEN, APPELLANT.

WD83856 Morgan County

Before Division Three Judges: Gary D. Witt, Presiding Judge, Mark D. Pfeiffer, Judge, and W. Douglas Thomson, Judge

Robert Steffen ("Steffen") appeals from the Circuit Court of Morgan County, which entered judgment against Steffen and in favor of Timothy Vogel ("Vogel") as to Vogel's claims of breach of contract and fraudulent misrepresentation. Steffen appeals *pro se*, and Steffen's briefing fatally fails to comply with Rule 84.04. Steffen also failed to provide a transcript of the proceedings below.

DISMISSED.

Division Three holds:

Because Steffen's Statement of Facts does not contain the necessary facts for the Court to determine the merits of his claims and did not specify which standard of review governs his claims of error, we cannot adjudicate his claims without becoming an advocate on his behalf. Also, we cannot review any evidentiary claims because Steffen has not provided the transcript or the exhibits that were admitted into evidence. Therefore, we must dismiss his appeal.
