Kevin P. McLaughlin (Father) appeals from the trial court's judgment denying his motion to modify child support but relieving him from his financial obligation to pay private school tuition for his children and granting Kathleen M. McLaughlin (Mother) sole legal custody.

AFFIRM.

Division Four holds: Father has failed to meet his burden of proving a substantial and continuing change in circumstances sufficient to render unreasonable his child support obligation as contemplated in the original dissolution. The trial court did not err in denying Father's child support modification.
