MISSOURI APPELLATE COURT OPINION SUMMARY

MISSOURI COURT OF APPEALS
WESTERN DISTRICT

RICKY L STEVENSON, Appellant,
v.
MISSOURI DEPT OF HEALTH AND SENIOR SERVICES, ET AL., Respondents.

WD84787 **Jackson County**

Before Division Three Judges: Gary D. Witt, Presiding Judge, Anthony Rex Gabbert, Judge, and W. Douglas Thomson, Judge

Ricky Stevenson appeals the judgment of the Jackson County Circuit Court dismissing his petition with prejudice. His petition sought a review of the actions of the Missouri Department of Health and Senior Services and the Administrative Hearing Commission. He raises five points on appeal.

APPEAL DISMISSED.

Division Three Holds:

Where the Appellant's brief fails to comply with the briefing requirements of Rule 84.04 to such an extent that the appellate court would have to hypothesize about the Appellant's argument and precedential support for it, such requiring the appellate court to become an advocate for the Appellant by searching the record for the relevant facts of the case to speculate about the possible claims of error and crafting a legal argument on his behalf, the appeal must be dismissed.
