Jason Williams ("Father") appeals the judgment granting in part a motion to modify filed by Emilee Williams ("Mother") and also granting in part a motion for third party custody filed by Katherine Tyler ("Intervenor"). Father asserts eight points on appeal claiming the circuit court erred by awarding Intervenor unsupervised visitation, weekly telephone calls and the option to attend school events and provide gifts to the child.

DISMISSED.

Division Two holds: Father did not file a transcript as required by Rule 81.12 and his brief violates multiple provisions of Rule 84.04. Because the incomplete record on appeal and briefing deficiencies substantially impede appellate review of all eight of Father's points relied on, we dismiss the appeal.
