vs.	)	Cause No. 23CG-CC00074
	)	
STATE OF MISSOURI,	)	Honorable Gary A. Kamp
	)	
Respondent.	)	FILED: May 27, 2025

Glenn Mansfield (Mansfield) appeals the judgment denying his Rule 29.15 amended motion for post-conviction relief. Mansfield claims the motion court clearly erred because appellate counsel was ineffective for failing to challenge on direct appeal the juvenile court's certification of Mansfield for prosecution as an adult.

AFFIRMED.

DIVISION TWO HOLDS: Appellate counsel was not ineffective because not raising the certification issue on direct appeal was reasonable as it would have been untimely. Mansfield further failed to show that he was prejudiced by appellate counsel's decision. The motion court was correct in denying the motion.
