MISSOURI APPELLATE COURT OPINION SUMMARY

MISSOURI COURT OF APPEALS
WESTERN DISTRICT

STATE OF MISSOURI, Respondent,
v.
TIMOTHY H. MOORE, Appellant.

WD88189 Putman County

Before Division Two Judges: W. Douglas Thomson, Presiding Judge, Lisa White Hardwick, Judge, and Mark D. Pfeiffer, Judge

Timothy Moore appeals his conviction for one count of exceeding a posted speed limit. In his five points on appeal, Moore challenges evidentiary rulings and the denial of his pretrial motion to dismiss and his post-trial motion to stay enforcement of the conviction pending appellate review. However, Moore's brief contains a multitude of briefing violations.

DISMISSED.

Division Two holds:

Compliance with Rule 84.04 is mandatory. Failure to do so preserves nothing for our review and establishes grounds for dismissal. Moore's brief substantially violates Rule 84.04 in its failure to provide accurate citations to the transcript and case law, its repeated use of case law that provide no basis for which the propositions are cited, and its use of fictitious citations to case law. Moore's appeal is dismissed because of his substantial failure to comply with Rule 84.04.
