MISSOURI APPELLATE COURT OPINION SUMMARY

MISSOURI COURT OF APPEALS
WESTERN DISTRICT

RYAN NELSON, Appellant,
v.
DENOVO RECOVERY, EMPLOYER, AND DIVISION OF EMPLOYMENT SECURITY, Respondent.

WD88815 Labor and Industrial Relations Commission

Before Division Two Judges: Janet Sutton, Presiding Judge, Lisa White Hardwick, Judge, and W. Douglas Thomson, Judge

Ryan Nelson appeals the decision of the Labor and Industrial Relations Commission denying his claim for unemployment benefits following his termination of employment with Denovo Recovery, LLC, on grounds that the Commission erred in determining that Nelson quit work voluntarily without good cause attributable to his work or employer.

AFFIRMED.

Division Two holds:

1. The claimant employee's attempt to rescind his resignation, even if voiced shortly after it was given, was ineffective when the employer has already accepted the resignation.

2. The actions of the claimant employee's supervisor toward employees at a separate, but affiliated, company, even though upsetting to the claimant employee, did not provide good cause attributable to the claimant employee's work or employer.
