#### Duration of Plan

The terms and conditions set forth in this *Parenting Plan* shall remain in full force and effect until the children are emancipated or until this plan is modified by a court of competent jurisdiction.

If you have questions about emancipation or jurisdiction, please consult an attorney or review the definitions on the Representing Yourself website.

### **Decisions Concerning the Children**

#### 4. Types of Decisions

The three types of decisions that parents must make concerning their children are major decisions, daily or everyday decisions, and emergency decisions.

#### A. Major Decisions

Major decisions are the important decisions about the children. Major decisions are made by **the parent or parents with legal custody**. The following are examples of major decisions:

- The choice or change of schools, including college or special tutoring,
- The choice or change of doctor, surgeon or dentist,
- Church or religious instruction, training or education,
- Selection of child care (daycare, babysitters, afterschool programs),
- Major medical care, surgery, or any medical procedure requiring hospitalization or out-patient surgery,
- Major dental work and orthodontics,
- Psychological or psychiatric treatment or counseling.
- The choice or change of camps or other special or extracurricular activities, including sports,
- The extent of any travel away from home,
- Part or full-time employment of the children,
- Whether the child gets a driver's license, drives or purchases a motor vehicle,
- Birth control and sex education.
- Actual or potential legal action on behalf of the children.

#### B. Daily or Everyday Decisions

Daily or everyday decisions are routine decisions like minor medical treatment, bedtimes, homework, chores, selection of clothing and normal daily activities.

Daily decisions shall be made by **the parent having actual physical custody at the time** of the decision. The parents shall work together to create consistent routines for the best interests of the child.

#### C. Emergency Decisions affecting Health and Safety

Emergency decisions are decisions of an urgent nature. They affect the immediate health and safety of the children and have to be made before it is possible to contact the other parent.

The parent who is with the minor child requiring emergency care may make the emergency decision. The parent making the emergency decision shall advise the other parent of the nature and extent of the emergency as soon as possible.

#### 5. Access to Medical, Dental and Educational Records of the Children

Unless otherwise provided in this *Parenting Plan*, both parents are entitled to access records and information pertaining to the children, including, but not limited to, full and complete medical, dental, and educational records subject to Part A, Paragraph 21.

#### 11. Residential Schedules

Each exchange should be written on the Weekend and Weekday Exchange Schedule. The parents shall have physical custody of the children as they agree. In the event they do not agree, then the parents shall exchange the children as set forth in the residential schedules.

Each parent shall consider reasonable changes when requested by the other parent or the children. If a significant change is made, either parent may reduce their agreement to writing. All changes are unenforceable unless in writing and signed by both parents.

- (1) The intended new residence, including the specific address and mailing address, if known, and if not known, the city;
- (2) The home telephone number of the new residence, if known;
- (3) The date of the intended move or proposed relocation:
- (4) A brief statement of the specific reasons for the proposed relocation of the child; and
- (5) A proposal for a revised schedule of custody or visitation with the child.
- (6) The other party's right, if that party is a parent, to file a motion, pursuant to §452.377, RSMo, seeking an order to prevent the relocation and an accompanying affidavit setting forth the specific good-faith factual basis for opposing the relocation within thirty days of receipt of the notice.

Your obligation to provide this information to each party continues as long as you or any other party by virtue of this order is entitled to custody of a child covered by this order. Your failure to obey the order of this court regarding the proposed relocation may result in further litigation to enforce such order, including contempt of court. In addition, your failure to notify a party of a relocation of the child may be considered in a proceeding to modify custody or visitation with the child. Reasonable costs and attorney fees may be assessed against you if you fail to give the required notice."

The residence of the children may be relocated sixty (60) days after providing notice unless a parent files a motion seeking an order to prevent the relocation within thirty (30) days after receipt of notice. Such motion shall be accompanied by an affidavit setting forth the specific factual bases supporting a prohibition of the relocation.

### **Child Support Calculations**

#### **Child Support**

Child support is an amount of money paid by one parent to the other parent for the support of the children. In addition to a regular monthly child support payment, other expenses of the children may be divided between the parents as child support.

#### Form 14

The Form 14 is a form used to calculate a presumed amount of child support. The Form 14 is part of this *Parenting Plan* and is found on Part B, Page 8. The court will usually follow the Form 14, however, if the court finds that the child support calculated pursuant to the Form 14 is unjust or inappropriate, it will set child support at a different amount.

Parents must also determine the division and amount of other expenses of the children such as medical and dental insurance, uncovered medical and dental expenses, childcare, and other extraordinary expenses. These expenses are part of the child support obligations of each parent.

Parents may agree on an amount of child support and the division of expenses. The court does not have to accept this agreement and can set different support amounts. Even if the parents have agreed on an amount of child support, they must still calculate a Form 14 for the court.

Missouri law further provides that "An award of joint physical custody does not preclude an award of child support pursuant to Section 452.340 and applicable supreme court rules in determining an amount reasonable or necessary for the support of the child." §452.375.12, RSMo. Child support may be appropriate even if both parties have custody of the children an equal amount of time.

3.	Parent to Pay Child Support (Check one of the two boxes)  One parent must be called the "parent paying support" and the other parent must be called the "parent receiving support." This is true even if no child support is going to be paid.
	☐ Petitioner ☐ Respondent will pay regular monthly child support to ☐ Petitioner ☐ Respondent. (Check Petitioner or Respondent if you choose this option)
	□ No regular monthly child support will be paid by either parent. □ Petitioner □ Respondent will be referred to as "parent paying support" for purposes of the Form 14 calculation only. The other parent will be referred to as "parent receiving support." (Check Petitioner or Respondent if you choose this option)

#### Medical and Dental Insurance for the Children

#### Cost of Medical or Dental Insurance for the Children

The cost of medical or dental insurance for the children is the monthly amount of any premium paid. If the parent's employer deducts the amount of premium from his or her pay, then the cost of medical or dental insurance includes the amount of the premium paid. It does not include the cost of medical or dental insurance for the parent, the parent's spouse, or other children that are not covered by this *Parenting Plan*. The cost of medical or dental insurance for the children is included on Line 6c of the Form 14.

The Form 14 states: "If the amount of the actual health insurance costs for the children who are the subject of this proceeding is not available or cannot be verified, the amount of the health insurance costs attributable to the children who are the subject of this proceeding shall be calculated by dividing the total monthly costs for the policy of health insurance by the total number of persons for whom the costs are paid or to be paid and then multiplying the resulting figure by the number of children insured under the policy who are the subject of this proceeding."

4.	Parent Responsible for Medical Insurance (Check one of the three boxes)  ☐ Neither parent is required to maintain medical insurance for the benefit of the children. A health benefit plan is not available at reasonable cost through either parent's employer or union. If the parents receive child support services through the Family Support Division, the parents shall notify the Family Support Division of any changes in employment, whether health insurance is available through their employer, other group plan or the Affordable Care Act, provide the name of the insurance provider when coverage is available, and any other changes in access to health insurance coverage.  ☐ Petitioner ☐ Respondent shall maintain and pay the cost of medical insurance for the benefit of the children.
5.	Parent Responsible for Dental Insurance (Check one of the three boxes)
<b>.</b>	Neither parent is required to maintain <b>dental</b> insurance for the benefit of the children. A health benefit plan is not available at reasonable cost through either parent's employer or union. If the parents receive child support services through the Family Support Division, the parents shall notify the Family Support Division of any changes in employment, whether dental insurance is available through their employer, other group plan or the Affordable Care Act, provide the name of the insurance provider when coverage is available, and any other changes in access to health insurance coverage.
	☐ Petitioner ☐ Respondent shall maintain and pay the cost of <b>dental</b> insurance for the benefit of the children.
6.	Medical and Dental Insurance for the Children
	You must enter an amount on both lines, even if you enter "0." These amounts should also be entered on line 6c of the Form 14.
	The total cost of medical and/or dental insurance paid by Petitioner for the minor children is \$ per month.
	The total cost of medical and/or dental insurance paid by Respondent for the minor children is \$ per month.
	In the event either parent is required to maintain medical or dental insurance, the parent providing the health benefit plan shall provide to the other parent an insurance identification card.
	If support rights have been assigned to the state of Missouri or the Family Support Division is providing support enforcement services to either parent, the parent paying support shall notify the Family Support Division regarding the availability of medical insurance coverage through an employer or a group plan, provide the name of the insurance provider when coverage is available, and inform the division of any change in access to such insurance coverage.

### **Payment of Child Support and Income Withholding**

#### **Income Withholding**

Income Withholding means that the child support is taken directly out of the paycheck of the parent paying support. These payments could be taken out of money from an employer, or other types of payments like Social Security disability benefits, unemployment compensation benefits or military retirement benefits. The amount withheld is sent to the Family Support Payment Center. The Family Support Payment Center will then forward the support to the parent receiving support. Child support withheld under an income withholding order cannot be sent directly to the parent receiving support. A record will be kept of all payments. If the parent paying support is currently unemployed or self-employed, income withholding may still be ordered, but it will not take effect until the parent paying support begins receiving regular income.

If income withholding is not ordered, then the child support may be paid directly to the parent receiving support. The parent paying support may also voluntarily send payments to the Family Support Payment Center. If the child support is not paid to the Family Support Payment Center, it is extremely important that each parent keep accurate records of the amount of child support paid. This means that the parent paying support may not receive credit for his or her payments if he or she does not have receipts or cancelled checks. Because of this, it is proper to request a receipt from the parent receiving support.

If parents receive Temporary Assistance For Needy Families (TANF) benefits through the Missouri Family Support Division or receive child support enforcement services through the Missouri Family Support Division, child support **must** be paid through the Family Support Payment Center.

Even if the court does not order income withholding right now, the Family Support Division may issue an income withholding order at a later time if the parent paying support fails to make timely child support payments as ordered.

19.	pport in Part B, Paragraph 16)
	Child support shall be paid through income withholding. An application for income withholding for support shall be prepared by the parent receiving support and issued by the circuit clerk upon the effective date of this judgment. Child support is ordered to be paid to the Family Support Payment Center, PO Box 109001, Jefferson City, Missouri, 65110-9001.
	Income withholding will not issue because a written agreement has been reached between the parents that provides for an alternative arrangement. Child support shall be paid directly to the Family Support Payment Center, PO Box 109001, Jefferson City, Missouri, 65110-9001.
	Income withholding will not issue because there is good cause not to require immediate income withholding for the reason that implementation of an immediate withholding would not be in the best interest of the child and the parent paying support has made timely payments of all previously ordered support. Child support shall be paid directly to the Family Support Payment Center, PO Box 109001, Jefferson City, Missouri, 65110-9001.
