### Motion to Modify Child Support

**This form is to modify child support only. This motion will not allow the court to change custody or visitation with the children.** To ask the court to change both custody and child support, see the *Motion to Modify Child Custody and Support*.

You must prepare and calculate a Form 14 to file with this *Motion*. The Form 14 is a form used to calculate the presumed amount of child support.

If you feel you do not have the knowledge or the information needed to ask for a change in your child support order, there may be another option. The Missouri Family Support Division provides child support modification services to those who request and qualify for its services. For more information about how to request a review of your child support order through the Family Support Division, go to <http://dss.mo.gov/child-support/apply-for-child-support-services.htm>.
