 This is the first year that OSCA's Division of Administration has supplied data for State Funded Operations. The 2009 amount has been approved by the State Courts Administrator and includes expenditures for programs that OSCA reimburses the counties such as drug courts, single county juvenile salaries, CCBC statutory salaries, domestic relations resolution fund expenditures, jury fees, and interpreter fees. All of these expenses may also be included in either the County Funded Personal Services or County Funded Operations.
