The State of Missouri to Respondent

Petitioner has filed a verified petition (copy attached) requesting a Full Order of Child Protection against you. Pursuant to chapter 455, RSMo, the court finds that there is an immediate and present danger of domestic violence or stalking by you, to the child(ren) listed above, or there is other good cause to issue an Ex Parte Order of Protection and that no prior order regarding custody is pending or has been made involving these children.

In determining that the respondent is excluded from the family home, the court further finds:

- An Ex Parte Order of Protection is in the best interest of the child(ren) remaining in the home;
- The verified allegations of domestic violence present a substantial risk to the child(ren) unless Respondent is excluded from the family home; and
- A remaining adult family or household member is able to care adequately for the child(ren) in the absence of Respondent;
