PARENTING PLAN GUIDELINES

As of August 28, 1998, section 452.310, RSMo, requires, "A party shall submit a proposed parenting plan at the time of filing of a motion to modify or a petition involving custody or visitation issues. A party shall submit a proposed parenting plan when filing the answer in such cases or within thirty days after service of a motion to modify." The requirements for the proposed parenting plan are outlined in the same statutory section.

A parenting plan is intended to assist *parents* who are not living together in developing the ideal environment for their child(ren). When making arrangements for the child(ren), parents need to consider the child(ren)'s needs and interests above all else. Since every family is unique, parents are encouraged, whenever possible, to work together to develop a plan that they both agree will meet the best interests of their child(ren). When preparing the parenting plan, it is important to remember that specific information in the following four areas must be included:

- Custody and Visitation
- Decision-Making Rights and Responsibilities
- Dispute Resolution
- Expenses of the Child(ren).

To assist parents with providing all required information, a parenting plan form and instructions for completing the form are included with these guidelines. This form is intended for use by the child(ren)'s mother and father. Any other party, such as a grandparent, filing a motion to modify or a petition involving custody or visitation issues may wish to use this form for guidance in preparing his or her own plan to be submitted to the court.

Note: Instructions for completing the form are in **bold**. Statements which should be included in all parenting plans are marked with a checked box.

This specific parenting plan form may be used for the proposed parenting plan, but use of this specific form is not required.

Example: Labor Day is a Monday. It is Father's holiday and, as a result, the children will be with him for the three day weekend. If this is the scheduled weekend for the child(ren) to be with Mother, the child(ren) will now be with Mother for the following two weekends. The first weekend, which is Father's scheduled time, becomes Mother's make-up time; the second weekend is Mother's scheduled time. B. DECISION-MAKING RIGHTS AND RESPONSIBILITIES

Section 452.375 RSMo, provides that "...it is the public policy of this state to encourage parents to participate in decisions affecting the health, education and welfare of their children, and to resolve disputes involving their children amicably through alternative dispute resolution."

Section 452.375 RSMo, provides that "If the parent without custody has been granted restricted or supervised visitation because the court has found that the parent with custody or the child has been the victim of domestic violence, as defined in Section 455.200 RSMo, by the parent without custody, the court may order that the reports and records made available pursuant to this subsection not include the address of the parent with custody of the child."

Check each box that applies.

All reports and records made available to Mother Father shall not include the address of the other spouse.

Each parent shall make decisions regarding the day-to-day care and control of each child while the child is with that parent. Regardless of the decision-making responsibilities stated in this parenting plan, either parent may make emergency decisions affecting the health or safety of the child(ren).

Each parent shall have access to medical and school records pertaining to the child(ren) and be permitted to independently consult with any and all professionals involved with the child(ren). The parents shall cooperate with each other in sharing information related to the health, education and welfare of the child(ren).

Each parent shall be responsible for getting records and reports directly from school and medical care providers.

1. DECISION-MAKING: Parents should attempt to share responsibility for making all major decisions regarding each child. If not shared, explain the reason and which parent will be responsible for the decision. Include how decisions will be made and information shared on all aspects of the child(ren)'s lives, including, but not necessarily limited to, education, health care, child care and extracurricular activities.

Major decisions regarding the child(ren) may be shared. If not shared, check the responsible party and indicate reason why.

| Decision Making Rights and Responsibilities | Shared | If not shared, reason why | Responsible er Father |
|--|--------|---------------------------|--------------------------|
| Education (what school the child(ren) will attend, entry into special classes) | | | |
| Medical (medical procedures needed, medications to be taken, mental health treatment decisions) | | | |

| When with Father | | | |
| Extracurricular Activities (what the child(ren) will participate in when these activities involve each person's parenting time) | | | |
| Religious Upbringing | | | |
| Other (specify) | | | |

2. COMMUNICATION: Parents need to communicate information to each other concerning the child(ren)'s needs and performances in different areas, including educational and medical information, and the children)'s activities.

Each parent shall inform the other parent as soon as possible of all school, sporting and other special activity notices and cooperate in the child(ren)'s consistent attendance at such events.

Each parent shall always keep the other parent informed of his or her actual residence address, mailing address if different, home and work telephone numbers and any changes within _______ hours of such change occurring.

(Exception to this is defined in Section 452.375 RSMo)

Neither parent shall say or do anything in the presence or hearing of the child(ren) that would in any way diminish the child(ren)'s love or affection for the other parent and shall not allow others to do so.

All court related and financial communications between the parents shall occur at a time when the child(ren) are not present and, therefore, shall not occur at times of exchanges of the child(ren) or during telephone visits with the child(ren).

Neither parent shall schedule activities for the child(ren) during the other parent's scheduled parenting time without the other parent's prior agreement, with the following exceptions:

___ (indicate if **none**).

The method by which information is communicated should be stated here. Check acceptable methods of communication. If all apply, check all boxes.

"Absent exigent circumstances as determined by a court with jurisdiction, you, as a party to this action, are ordered to notify, in writing by certified mail, return receipt requested, and at least sixty days prior to the proposed relocation, each party to this action of any proposed relocation of the principal residence of the child, including the following information:

- (1) The intended new residence, including the specific address and mailing address, if known, and if not known, the city;
- (2) The home telephone number of the new residence, if known;
- (3) The date of the intended move or proposed relocation;
- (4) A brief statement of the specific reasons for the proposed relocation of the child; and
- (5) A proposal for a revised schedule of custody or visitation with the child.

Your obligation to provide this information to each party continues as long as you or any other party by virtue of this order is entitled to custody of a child covered by this order. Your failure to obey the order of this court regarding the proposed relocation may result in further litigation to enforce such order, including contempt of court. In addition, your failure to notify a party of a relocation of the child may be considered in a proceeding to modify custody or visitation with the child. Reasonable costs and attorney fees may be assessed against you if you fail to give the required notice."

6. HOLIDAY SCHEDULE: The holiday schedule allows each parent to share holidays and other special days with their child.

a. Check each box that applies.

- Friday and Monday holidays include Saturday and Sunday.
- Holidays take precedence over regular parenting time.
- Holidays take precedence over vacations.

☐ If the scheduled holiday weekend causes either parent to lose his or her regular weekend time, the parent losing the regular weekend shall receive the other parent's next regular weekend. Then the original schedule will be followed so that each parent has two consecutive weekends.

Example: Labor Day is on a Monday. It is Father's holiday and, as a result, the child will be with him for the three day weekend. If this is the scheduled weekend for the child to be with Mother, the child will now be with Mother for the following two weekends. The first weekend, which is Father's scheduled time, becomes Mother's make-up time; the second weekend is Mother's scheduled time. On the third weekend, the child will go with Father and the regular schedule will resume.

b. Complete chart by stating with which parent the child will spend each holiday. Be sure to include the start and end times. [See item 7, Vacation Schedule when completing Holiday Schedule]
