

Rates: Public Notice Legal Advertising

Public Notice and Legal Advertising in newspapers perform the essential function of announcing impending government action or legal obligation on businesses or citizens. Missouri Lawyers Media subscribes to standards outlined by both American Court and Commercial Newspapers, Inc. and the National Newspaper Association. These standards encourage newspapers of general circulation throughout the United States to publish Public Notices and Legal Advertising in an organized, visible and prominent manner in readable, clear typefaces with easily readable formats. Deviations from these formats and typefaces are not permitted.
