SCOTT ADDISON,	)	Honorable Michael W. Noble

Appellant.	)	FILED: March 10, 2015

Scott Addison (Addison) appeals from the circuit court's final order denying his two motions related to a previous order of the circuit court dismissing his application for trial *de novo* and remanding his case to the municipal court.

DISMISSED.

Division Two Holds: Addison was required to file his notice of appeal within ten days of the entry of final order but filed his notice of appeal in excess of the ten-day jurisdictional requirement. Therefore, because his notice of appeal was untimely filed, this Court is without jurisdiction to consider the appeal.
