The Family Support Division of the Missouri Department of Social Services (the “Division”) appeals the trial court’s judgment abating a portion of the child support obligation owed by Albert Mathis (“Father”). On appeal, the Division argues the trial court erred in abating Father’s child support obligation, because he failed “to plead or prove” the necessary statutory elements to justify the abatement.

DISMISSED.

DIVISION ONE HOLDS: Because the record on appeal does not contain a transcript of the hearing, the matter is not been preserved for our review.
