	)	Honorable David Lee Vincent III

	)	FILED: October 4, 2016

L.C. (“Mother”) appeals the judgment terminating her parental rights with respect to E.C.

REVERSED AND REMANDED.

Division Three Holds: The trial court failed to include in its judgment the prospective analysis mandated by In re K.A.W., 133 S.W.3d 1, 12 (Mo. banc 2004). The trial court did not articulate a convincing link between Mother’s past behavior and her predicted future behavior and did not explicitly consider whether her past acts of abuse against E.C.’s siblings provided an indication of the likelihood of future harm to E.C.
