OPINION SUMMARY

Danny Huston (Appellant) appeals from the trial court's judgment and order denying, for lack of jurisdiction, his Petition for Writ of Error.

DISMISSED FOR LACK OF JURISDICTION.

Division Three Holds:

This Court is without jurisdiction to review the trial court's denial of Appellant's Petition for Writ of Error for lack of jurisdiction, because the writ of error has been abolished by Missouri Rule of Civil Procedure 74.06(d), and therefore the trial court lacked jurisdiction to consider Appellant's petition.
