OPINION SUMMARY

Cathedral Properties, LLC appeals the grant of Paul G. and Laverne S. Lorenzini's ("Plaintiffs") motion for default judgment in a garnishment proceeding awarding them \$475.81 in damages, \$72.00 in costs, and \$4,108.80 in attorney's fees.

AFFIRMED AS MODIFIED.

Division Three holds: The trial court did not err in awarding Plaintiffs damages or costs. However, the trial court erred in awarding Plaintiffs attorney's fees. Therefore, as authorized by Missouri Supreme Court Rule 84.14 (2010), we modify the judgment to exclude all references to the award of attorney's fees and, as modified, affirm the judgment of the trial court awarding Plaintiffs \$475.81 in damages and \$72.00 in costs.
