Darryl S. Davis appeals the judgment of the Circuit Court of Jefferson County, the Honorable Mark T. Stoll, presiding. Mr. Davis appeals the trial court’s affirmation of the revocation of his driver’s license based on his refusal to submit to a chemical test. Mr. Davis claims his refusal was not valid because he was not given twenty minutes to contact an attorney after being advised of the Implied Consent Warning despite his request.

AFFIRMED.

DIVISION ONE HOLDS: The Circuit Court did not err in affirming the Director of Revenue’s revocation of Mr. Davis’ driver license. There was sufficient evidence in the record to establish that Mr. Davis was given an opportunity to contact an attorney after being advised of the Implied Consent Warning.
